STERLING BUSINESS LAW

OPENS IN MIAMI, FLORIDA

Miami, Florida, May 27, 2010 - Sterling Business Law was established today, having its main office located in the Coconut Grove Village of Miami, Florida.

Sterling Business Law acts as outsourced counsel to closely-held business organizations and their principals located within North America. The Firm provides strategic counsel to companies in various industries in their business transactions and dealings.

“Sterling Business Law brings value to its clients by efficiently providing business-minded guidance and work product. We are able to assist in all areas of our client’s business life cycle”, said Phil Josephson, principal and attorney at Sterling Business Law.

“Sterling Business Law – strategic legal counsel to entrepreneurial and emerging growth businesses”.
